- Any Michigan transit provider – including 5310/5311 organizations and regardless of association – may submit a nomination. Self-nominations are also encouraged!
- While nominations in multiple categories are encouraged, please limit nominations to one in each category and use a separate form for each.
- For this first awards cycle, nominations may include individuals or projects from the past two years.
- It is recommended that candidate(s) attend the Michigan Public Transportation Conference, but it is not a prerequisite. Awardees will be announced and presented with an award during the conference's luncheon on Wednesday, August 20 at Crystal Mountain Resort.
- If appropriate, please upload supporting materials such as pictures, letters of support and other documentation. This is not necessary but can help judges evaluate the nominations.
- Submissions are welcome by Friday, July 11, but the sooner the better!
